

Three teams from Bernard Controls at the 2016 Edition of EKIDEN

Last Sunday, the 6 november 2016, the relay Marathon EKIDEN took place in Paris. On a route following the nicest spots of the french capital, each member of the teams has been successively running between 5 and 10 km in order to cover the most prestigious historical distance of 42,195 km. In total, 18 runners from Bernard Controls successfully crossed the line of this race.

At the general classification, our teams were facing 1548 other teams. Here are the results for our three teams:

1. First to cross the finishing line, "La Meute", constituted of Charlotte B., François B., Liem C., Aurélie D.P., Sébastien G. and Pauline S., ranked at the 552th position in 3:21 hours;
2. Then, "La Team Rocket", constituted of Relin B., Simon D., Burak E., Nicolas J., Florent M. and Loïc M., took the 587th rank in 3:22 hours;
3. Finally, the team "Be cool", constituted of Mantia D., Christophe L., Stéphane M., Oriane P., Clémence R. and Jérôme V. ranked at the 694th position in 3:28 hours.

This event represents an additional internal challenge integrating itself in BERNARD CONTROLS's core values: Dedication, Loyalty and Relationship.

BERNARD CONTROLS is proud to support its teams in these meaningful challenges which strongly highlight the general purpose of sharing and mutual aid between its collaborators!

About BERNARD CONTROLS

BERNARD CONTROLS designs & manufactures electric actuators and control systems for industrial valves' automation. Global leader in the nuclear market, BERNARD CONTROLS is one of the main actors in the global actuation business.

BERNARD CONTROLS is present all over the world and coordinates its activities within 4 Operating Areas which gathers 16 Operating Units in Americas, Asia, Europe and India / Middle- East / Africa.
